For all the Points Race, Elimination and Scratch Race, riders shall be lined up in single file along the railing and in the sprinters lane in the order listed on the start list. This order shall be based on the current Omnium ranking. In the case of the Scratch Race, any rider not finishing due to a fall, or due to the fact that they may not return to the track in the final kilometre, shall be awarded with 1 point.

Any rider abandoning any of the events shall be considered to have abandoned the competition.

- . Other than for the elimination , any rider being withdrawn from any of the events shall be penalized with deduction of 40 points.
- . In the event of a tie, the places in the final sprint of the last event, the Point race, shall break the tie.

- . Los corredores deberán usar los dos números durante todas las pruebas de la competencia del Omnium.
- . La vuelta lanzada (250 mts. contra el reloj) que es parte del Omnium, se correrá como si fuera una clasificación de Velocidad individual, para efecto del art. 1.3.023. Esto significa que no se puede adicionar una extensión al sistema de dirección.
- . Para efectos del art. 3.2.047 (Persecución individual y Kilómetro/ 500 mts. Contra reloj), la composición de las series se basarán en el orden inverso de la clasificación del Omnium después del evento previo.
- . Para las pruebas de Carrera por Puntos, Eliminación, y Scratch, los corredores se situarán en fila india a lo largo de la balustrada o baranda y en el corredor de sprinters en el orden indicado en la lista de partida. Este orden estará basado en la clasificación del Omnium hasta ese momento.

. En el caso de la prueba Scratch, cualquier corredor que no termine debido a una caída, o debido al hecho de que no pueda retornar a la pista en el último kilómetro, será clasificado en la siguiente posición disponible (y puntos) considerando el numero de corredores que permanecen en la pista en ese momento.

- . Cualquier corredor que abandone cualquiera de los eventos del Omnium será considerado como que ha abandonado la prueba.
- . En otra prueba diferente a la Eliminación, cualquier corredor que sea retirado de cualquiera de las demás pruebas, será penalizado con la deducción de 40 puntos.
- . En el caso de un empate, las posiciones en el embalaje final de la última prueba, la carrera por Puntos, desempatarán.

Elimination

After each sprint the last rider, according to the position of his rear wheel on the finishing line, shall be eliminated. If one or more riders are lapped or abandon the race between sprints, they shall be the riders eliminated in the next sprint.

In certain cases, the commissaires may decide to eliminate a rider other than the last rider in the sprint (for example, if a rider passes on the blue band).

In all cases, the decision on which riders shall be eliminated must be made and announced prior to the riders crossing the pursuit line on the back straight after the elimination sprint. If no decision can be made by this time, then no riders shall be eliminated until the next sprint.

An eliminated rider shall leave the track immediately, failing which he shall be **disqualified from the entire Omnium event.**

Riders eliminated shall be placed in inverse order according to the time of their elimination (for example, the first rider eliminated is placed last, the second rider eliminated is placed second last, etc.).

In the case of a recognized mishap by one or more riders, as decided by the President of the Commissaires Panel, the race shall immediately be neutralized for a maximum distance of the number of laps closest to 1300 metres to allow the affected riders to return to the bunch. In the case where all riders on the track suffer a recognized mishap, the race shall be neutralized for a maximum of 3 minutes to allow the affected riders to return to the race.

The neutralization shall be indicated by a yellow flag on the start line and all riders on the track shall ride in a compact group at a moderate speed. No account shall be taken of the position of any riders off the front or back of the bunch at the time of the mishap.

The race shall be restarted by the withdrawal of the yellow flag and the firing of the starter's pistol. Any riders not able to rejoin the race at this point shall be eliminated and their position determined according to the time of their elimination. The bell shall be rung the following lap to indicate the start of a sprint lap.

Except in the case when all riders on the track suffer a recognized mishap, once four or fewer riders remain on the track, no neutralization shall be granted, and any riders not finishing shall be eliminated and their position determined according to the time of their elimination.

In the event of collusion between riders, the latter shall be disqualified.

Coaches or Managers who instruct or encourage their rider to continue racing following the announcement of their elimination, will be penalized by a fine of CHF 200 as per UCI Regulation 12.1.007. Should a Coach or Manager commit a second offence of incorrect behavior, he/she will be fined CHF 500 and will have their accreditation immediately revoked.

Subject to the same penalties, no team representative can approach or try to dispute any decision made by Commissaires during the course of the race.

Eliminación

. Después de cada embalaje, el último corredor será eliminado de acuerdo con la posición de su rueda trasera en la línea de llegada.

. Si uno o más corredores son alcanzados o abandonan entre dos embalajes, esos corredores serán los eliminados en el siguiente embalaje.

. En ciertos casos los Comisarios podrán decidir eliminar a un corredor diferente al último en el embalaje (por ejemplo si un corredor pasa por la costa azul)

. En todos los caso la decisión de cuales corredores serán eliminados debe ser tomada y anunciada antes de que los corredores pasen la línea de persecución de la contra meta después del embalaje de eliminación. Si no puede tomarse una decisión en ese momento, ningún corredor será eliminado hasta el siguiente embalaje.

. Un corredor eliminado debe abandonar la pista inmediatamente, no cumpliendo esto **será descalificado de toda la prueba del Omnium.**

. Los corredores eliminados serán clasificaos en orden inverso de acuerdo al momento de su eliminación.(por ejemplo: el primer corredor eliminado será clasificado de último. El segundo corredor eliminado será clasificado de penúltimo, etc.)

. En el caso de un accidente reconocido de uno ó más corredores y una vez decidido por el presidente del Jurado de Comisarios, la carrera será inmediatamente neutralizada por una distancia máxima de un número de vueltas más cercano a 1.300 metros para permitir a los corredores afectados regresar al grupo. En el caso en que todos

los corredores sobre la pista sufren un accidente reconocido, la carrera será neutralizada por un tiempo máximo de 3 minutos para permitir a los corredores afectados regresar a la competencia.

La neutralización se indicará por una bandera amarilla en la línea de salida y todos los corredores sobre la pista rodarán en un grupo compacto a una velocidad moderada. No se tendrá en cuenta la posición de ningún corredor escapado o rezagado del grupo al momento del percance.

La carrera será recomenzada quitando la bandera amarilla y por el disparo de la pistola del starter.

Cualquier corredor que no sea capaz de reincorporarse a la carrera en este momento, será eliminado y su posición determinada de acuerdo al momento de su eliminación. La campana sonará en la siguiente vuelta para indicar el comienzo de una vuelta con embalaje al final.

Excepto en el caso cuando todos los corredores en la pista sufren un accidente reconocido, una vez cuatro o menos corredores quedan sobre la pista, ninguna neutralización se autorizará y cualquier corredor que no termine será eliminado y su posición será determinada de acuerdo al momento de su eliminación.

. En el caso de un acuerdo fraudulento entre corredores, estos serán descalificados.

. Entrenadores o Directores que instruyan o animen a sus corredores para continuar corriendo aun después del anuncio de su eliminación, serán penalizados con una multa de CHF 200 de acuerdo con la regulación UCI 12.1.007. Si un entrenador o Director incurre en una segunda infracción o en conducta incorrecta, el/ ella será multado con CHF 500 y su licencia será inmediatamente revocada. Sujeto a las mismas penalizaciones, ningún representante de un equipo puede aproximarse o tratar de discutir cualquier decisión tomada por los Comisarios durante el curso de la Carrera.
