As stated in UCI Rule 1.2.113 – Unless otherwise stated, riders shall appear at official ceremonies wearing competition clothing. For cyclists who are not competing on Sunday, you are still required to wear a club jersey so as to identify with the club you are representing.

Cyclists are also reminded that helmets, hats and eye wear (except for prescription glasses) are not allowed to be worn at the awards ceremony.

INFORMATION – Car Park / Warm Up Areas

Parking for all clubs, officials and spectators will be afforded in the car park area south east of the finish line (see image below).

The car parking area South West of the finish line will be restricted only for cyclists warming up and emergency vehicles. Cyclists will be prohibited from using the course to warm up from 12:45pm. Cyclists are encouraged to use the designated warm up area after this time. For safety reasons, cyclists will not be allowed to warm up in the car park area South East of the finish line.
